

BS EN 50132-7:2012

BSI Standards Publication

Alarm systems — CCTV surveillance systems for use in security applications

Part 7: Application guidelines

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 50132-7:2012. It supersedes BS EN 50132-7:1996 which is withdrawn.

The UK committee draws attention to subclause 13.3 when deciding what to include in the Operational Requirement with regards to acceptance testing.

The UK participation in its preparation was entrusted by Technical Committee GW/1, Electronic security systems, to Subcommittee GW/1/10, Closed circuit television (CCTV).

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
