

BS EN 50191:2010

BSI Standards Publication

Erection and operation of electrical test equipment

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 50191:2010. It supersedes BS EN 50191:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/99, Erection and operation of power installations.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
