

Power transformer and reactor fittings —

Part 3: Protective relay for hermetically sealed liquid-immersed transformers and reactors without gaseous cushion

The European Standard EN 50216-3:2002, incorporating amendments A1:2002 and A2:2006, has the status of a British Standard

ICS 29.180

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 50216-3:2002, incorporating amendments A1:2002 and A2:2006.

The start and finish of text introduced or altered by amendment is indicated in the text by tags **A1** **A1**. Tags indicating changes to CEN text carry the number of the CEN amendment. For example, text altered by CEN amendment A1 is indicated in the text by **A1** **A1**.

The UK participation in its preparation was entrusted to Technical Committee PEL/14, Power transformers.

A list of organizations represented on PEL/14 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Electrotechnical Sector Policy and Strategy Committee, was published under the authority of the Standards Policy and Strategy Committee on 12 April 2002
