

Overhead electrical lines exceeding AC 45 kV —

Part 2: Index of National Normative Aspects

The European Standard EN 50341-2:2001 has the status of a
British Standard

ICS 29.240.20

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 50341-2:2001, incorporating corrigendum October 2006.

The UK participation in its preparation was entrusted to Technical Committee PEL/11, Overhead lines.

A list of organizations represented on PEL/11 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Electrotechnical Sector Policy and Strategy Committee, was published under the authority of the Standards Policy and Strategy Committee on 25 April 2002
