Fibre organizers and closures to be used in optical fibre communication systems — Product specifications

Part 3-8: Fibre management system,
terminal equipment box type 1 for category
C

National foreword

This British Standard is the UK implementation of EN 50411-3-8:2016.

The UK participation in its preparation was entrusted to Technical Committee GEL/86/2, Fibre optic interconnecting devices and passive components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
