

Switches for household and similar fixed electrical installations — Collateral standard — Fireman's switches for exterior and interior signs and luminaires

ICS 29.120.40

National foreword

This British Standard is the UK implementation of EN 50425:2008.

The UK participation in its preparation was entrusted to Technical Committee PEL/23, Electrical accessories.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 April 2008
