Alcohol interlocks - Test methods and performance requirements

Part 4: Connection and digital interface between the alcohol interlock and the vehicle

National foreword

This British Standard is the UK implementation of EN 50436-4:2019.

The UK participation in its preparation was entrusted to Technical Committee AUE/16, Data Communication (Road Vehicles).

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
