

BS EN 50498:2010

BSI Standards Publication

Electromagnetic compatibility (EMC) — Product family standard for aftermarket electronic equipment in vehicles

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 50498:2010.

The UK participation in its preparation was entrusted to Technical Committee GEL/210/11, EMC product standards.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
