

Basic standard for the evaluation of human exposure to electromagnetic fields from equipment for resistance welding and allied processes

ICS 13.280; 25.160.30

National foreword

This British Standard is the UK implementation of EN 50505:2008.

The UK participation in its preparation was entrusted to Technical Committee WEE/29, Resistance welding.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 June 2008
