

BS EN 50514:2014

BSI Standards Publication

Audio, video and information technology equipment — Routine electrical safety testing in production

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 50514:2014. It supersedes BS EN 50514:2008 which will be withdrawn on 21 July 2017.

The UK participation in its preparation was entrusted to Technical Committee EPL/108, Safety of electronic equipment within the field of audio/video, information technology and communication technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
