

BSI Standards Publication

Cover plates and cover tapes for the protection and location warning of buried cables or buried conduits in underground installations

National foreword

This British Standard is the UK implementation of EN 50520:2009.

The UK participation in its preparation was entrusted to Technical Committee PEL/213, Cable management.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
