

BS EN 50529-1:2010

BSI Standards Publication

EMC Network Standard

Part 1: Wire-line telecommunications
networks using telephone wires

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 50529-1:2010.

The UK participation in its preparation was entrusted to Technical Committee GEL/210/11, EMC product standards.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
