**Railway applications - Fixed installations -
Process, protective measures and demonstration
of safety for electric traction systems**

National foreword

This British Standard is the UK implementation of EN 50562:2018. It supersedes DD CLC/TS 50562:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/9/3, Railway Electrotechnical Applications - Fixed Equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
