...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 50600-2-1:2014.

The UK participation in its preparation was entrusted to Technical Committee TCT/7, Telecommunications – Installation requirements.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
