Electric motor-operated tools — Dust measurement procedure

Part 3-3: Particular requirements for
transportable planers and thicknessers

National foreword

This British Standard is the UK implementation of EN 50632-3-3:2017.

The UK participation in its preparation was entrusted to Technical Committee CPL/116, Safety of motor-operated electric tools.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
