

BSI Standards Publication

Product category rules for life cycle assessments of electronic and electrical products and systems

National foreword

This British Standard is the UK implementation of EN 50693:2019.

The UK participation in its preparation was entrusted to Technical Committee GEL/111, Electrotechnical environment committee.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
