

BSI Standards Publication

Specification for protective clothing for use where there is a risk of entanglement with moving parts

National foreword

This British Standard is the UK implementation of EN 510:2019. It supersedes BS EN 510:1993, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PH/3/1, General Personal Protective Equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
