

BSI Standards Publication

Glass reinforced plastics — Determination of indentation hardness by means of a Barcol hardness tester

National foreword

This British Standard is the UK implementation of EN 59:2016. It supersedes BS 2782-10:Method 1001:1977 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/21, Testing of plastics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
