

Instrument transformers —

Part 1: Current transformers

The European Standard EN 60044-1:1999, with the incorporation of amendments A1:2000 and A2:2003, has the status of a British Standard

ICS 17.220.20

National foreword

This British Standard is the English language version of EN 60044-1:1999, including amendments A1:2000 and A2:2003. It was derived by CENELEC from IEC 60044-1:1996, including amendments 1:2000 and 2:2002. It supersedes BS 7626:1993 which is withdrawn.

The CENELEC common modifications have been implemented at the appropriate places in the text. The start and finish of each common modification is indicated in the text by tags [C] [C].

The start and finish of text introduced or altered by amendment is indicated in the text by tags [A1] [A1]. Tags indicating changes to IEC text carry the number of the IEC amendment. For example, text altered by IEC amendment 1 is indicated by [A1] [A1].

The UK participation in its preparation was entrusted to Technical Committee PEL/38, Instrument transformers, which has the responsibility to:

- aid enquirers to understand the text;
 - present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
 - monitor related international and European developments and promulgate them in the UK.
- A list of organizations represented on this committee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Electrotechnical Sector Committee, was published under the authority of the Standards Committee and comes into effect on 15 November 1999
