National foreword

This British Standard is the UK implementation of EN 60060-1:2010. It is identical to IEC 60060-1:2010. It supersedes BS 923-1:1990, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/42, Testing techniques for high voltages and currents.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
