National foreword

This British Standard is the UK implementation of EN 60068-2-31:2008. It is identical to IEC 60068-2-31:2008. It supersedes BS EN 60068-2-31:1993 and BS EN 60068-2-32:1993, which are withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/104, Environmental conditions, classification and testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
