

Environmental testing —

Part 3-8: Supporting documentation and guidance — Selecting amongst vibration tests

The European Standard EN 60068-3-8:2003 has the status of a
British Standard

ICS 19.040; 29.020

National foreword

This British Standard is the official English language version of EN 60068-3-8:2003. It is identical with IEC 60068-3-8:2003.

The UK participation in its preparation was entrusted to Technical Committee GEL/104, Environmental testing, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
