

BS EN 60079-15:2010

BSI Standards Publication

Explosive atmospheres

Part 15: Equipment protection by type of protection "n"

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 60079-15:2010. It is identical to IEC 60079-15:2010. It supersedes BS EN 60079-15:2005 which is withdrawn.

The UK Committee GEL/31 does not endorse Annex ZY in its current form and a revision is currently under way between the Joint Working Group of CEN TC305 and CLC TC31. A replacement Annex ZY will become available at some time in the future.

The UK participation in its preparation was entrusted to Technical Committee GEL/31/14, Types of protection 'e' and 'n'.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
