

BSI Standards Publication

Insulated bushings for alternating voltages above 1000 V

National foreword

This British Standard is the UK implementation of EN 60137:2017. It is identical to IEC 60137:2017, incorporating corrigendum May 2018. It supersedes BS EN 60137:2008, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/36, Insulators for power systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
