

BS EN 60212:2011

BSI Standards Publication

Standard conditions for use prior to and during the testing of solid electrical insulating materials

National foreword

This British Standard is the UK implementation of EN 60212:2011. It is identical to IEC 60212:2010. It supersedes BS 2844:1995, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/112, Evaluation and qualification of electrical insulating materials and systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
