

Packaging of winding wires —

Part 3-1: Taper barrelled delivery spools — Basic dimensions

The European Standard EN 60264-3-1:2000, with the incorporation of amendment A1:2003, has the status of a British Standard

ICS 55.060

National foreword

This British Standard is the official English language version of EN 60264-3-1:2000. It is identical with IEC 60264-3-1:1999, including A1:2003. It supersedes BS EN 60264-3-1:1996 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/55, Winding wires, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, the EN title page, pages 2 to 6, an inside back cover and a back cover.
