National foreword

This British Standard is the UK implementation of EN 60297-3-100:2009. It is identical to IEC 60297-3-100:2008. It supersedes BS 5954-2:1985 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/48, Electromechanical components and mechanical structures for electronic equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
