raising standards worldwide™

National foreword

This British Standard is the UK implementation of EN 60300-3-11:2009. It is identical to IEC 60300-3-11:2009.

The UK participation in its preparation was entrusted to Technical Committee DS/1, Dependability and terotechnology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
