National foreword

This British Standard is the UK implementation of EN 60352-5:2012. It is identical to IEC 60352-5:2012, incorporating corrigendum September 2014. It supersedes BS EN 60352-5:2008, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/48, Electromechanical components and mechanical structures for electronic equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
