

Conduit systems for cable management — Outside diameters of conduits for electrical installations and threads for conduits and fittings

The European Standard EN 60423:2007 has the status of a
British Standard

ICS 29.120.10

National foreword

This British Standard is the UK implementation of EN 60423:2007. It is identical to IEC 60423:2007. It supersedes BS EN 60423:1995 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/213, Cable management.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 December 2007
