

BSI Standards Publication

Aerospace series – Electrical cables, installation – Protection sleeve in meta-aramid fibres

Part 004: Braided, tubular, high expandable – Product standard

National foreword

This British Standard is the UK implementation of EN 6049-004:2019.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
