

BSI Standards Publication

Aerospace series — Electrical cables, installation — Protection sleeve in meta-aramid fibres

Part 006: Self-wrapping protective sleeve,
flexible post installation — Product standard

National foreword

This British Standard is the UK implementation of EN 6049-006:2012.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
