

Connectors for electronic equipment — Tests and measurements —

Part 13-1: Mechanical operation tests — Test 13a: Engaging and separating forces

The European Standard EN 60512-13-1:2006 has the status of a
British Standard

ICS 31.220.10

National foreword

This British Standard is the UK implementation of EN 60512-13-1:2006, incorporating corrigendum December 2006. It is identical with IEC 60512-13-1:2006. It supersedes BS EN 60512-13-1:1997 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/48, Electromechanical components and mechanical structures for electronic equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 28 April 2006
