Electrical insulating materials — Determination of the effects of ionizing radiation on insulating materials

Part 2: Procedures for irradiation and test

National foreword

This British Standard is the UK implementation of EN 60544-2:2012. It is identical to IEC 60544-2:2012. It supersedes BS 7811-2:1995 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/112, Evaluation and qualification of electrical insulating materials and systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
