

BSI Standards Publication

**Aerospace series - Rod-end with bearing per
EN 4614 with self lubricating liner in corrosion
resisting steel with external threaded shank
- Dimensions and loads - Inch series**

National foreword

This British Standard is the UK implementation of EN 6056:2019.

The UK participation in its preparation was entrusted to Technical Committee ACE/12, Aerospace fasteners and fastening systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
