

BSI Standards Publication

Aerospace series — Electrical cables, installation — Protection sleeves — Test methods

Part 301: Sun light exposure

National foreword

This British Standard is the UK implementation of EN 6059-301:2017.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
