Aerospace series - Electrical cables, installation - Protection sleeves - Test methods

Part 309: Fire resistance when fitted on a cable bundle

National foreword

This British Standard is the UK implementation of EN 6059-309:2018.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
