

Aerospace series — Electrical cables, installation — Protection sleeves — Test methods

Part 501: Voltage proof test

ICS 49.060

National foreword

This British Standard is the UK implementation of EN 6059-501:2010.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 May 2010.
