Fire hazard testing

Part 1-21: Guidance for assessing the
fire hazard of electrotechnical products —
Ignitability — Summary and relevance of
test methods

National foreword

This British Standard is the UK implementation of EN 60695-1-21:2016. It is identical to IEC 60695-1-21:2016. It supersedes PD IEC/TR 60695-1-21:2008 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/89, Fire hazard testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
