

Maintainability of equipment —

Part 2: Maintainability requirements and studies during the design and development phase

The European Standard EN 60706-2:2006 has the status of a British Standard

ICS 03.120.01; 21.020

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 60706-2:2006. It is identical with IEC 60706-2:2006. It supersedes BS 6548-2:1992 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee DS/1, Dependability and terotechnology.

A list of organizations represented on DS/1 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 October 2006
