

BSI Standards Publication

Test on gases evolved during combustion of materials from cables

Part 2: Determination of acidity (by pH measurement) and conductivity

National foreword

This British Standard is the UK implementation of EN 60754-2:2014+A1:2020. It is identical to IEC 60754-2:2011, incorporating amendment 1:2019. It supersedes BS EN 60754-2:2014, which will be withdrawn on 30 December 2022.

The start and finish of text introduced or altered by amendment is indicated in the text by tags. Tags indicating changes to IEC text carry the number of the IEC amendment. For example, text altered by IEC amendment 1 is indicated by **A1** **A1**.

The UK participation in its preparation was entrusted to Technical Committee GEL/20/18, Electric Cables - Fire testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
