National foreword

This British Standard is the UK implementation of EN 60831-1:2014. It is identical to IEC 60831-1:2014, incorporating corrigendum May 2014. It supersedes BS EN 60831-1:1998 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/33, Power capacitors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
