National foreword

This British Standard is the UK implementation of EN 60839-11-2:2015, incorporating corrigendum November 2015. It is identical to IEC 60839-11-2:2014. It supersedes BS EN 50133-7:1999 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GW/1.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
