National foreword

This British Standard is the UK implementation of EN 60870-6-802:2014. It is identical to IEC 60870-6-802:2014. It supersedes BS EN 60870-6-802:2002 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/57, Power systems management and associated information exchange.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
