

# Live working — Gloves of insulating material

The European Standard EN 60903:2003 has the status of a  
British Standard

ICS 13.260; 29.240.20; 29.260.99

# National foreword

This British Standard is the official English language version of EN 60903:2003. It was derived by CENELEC from IEC 60903:2003, including Corrigendum January 2005. It supersedes BS EN 60903:1993 and BS EN 50237:2000 both of which are withdrawn.

The CENELEC common modifications have been implemented at the appropriate places in the text and are indicated by tags **CE** **CI**.

The UK participation in its preparation was entrusted to Technical Committee PEL/78, Tools for live working, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

## Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

**Compliance with a British Standard does not of itself confer immunity from legal obligations.**
