

Insulating liquids — Methods for counting and sizing particles

ICS 17.220.99; 29.040.10

National foreword

This British Standard is the UK implementation of EN 60970:2007, incorporating corrigendum January 2008. It is identical with IEC 60970:2007.

The UK participation in its preparation was entrusted to Technical Committee GEL/10, Fluids for electrotechnical applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 28 September 2007
