National foreword

This British Standard is the UK implementation of EN 61000-4-15:2011. It is identical to IEC 61000-4-15:2010 incorporating corrigendum March 2012. It supersedes BS EN 61000-4-15:1998, which will be withdrawn on 2 January 2014.

The UK participation in its preparation was entrusted by Technical Committee GEL/210, EMC - Policy committee, to Subcommittee GEL/210/12, EMC basic, generic and low frequency phenomena Standardization.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
