Safety requirements for electrical equipment for measurement, control and laboratory use

Part 2-012: Particular requirements for
climatic and environmental testing and other
temperature conditioning equipment

National foreword

This British Standard is the UK implementation of EN 61010-2-012:2016. It is identical to IEC 61010-2-012:2016.

The UK participation in its preparation was entrusted to Technical Committee EPL/66, Safety of measuring, control and laboratory equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
