National foreword

This British Standard is the UK implementation of EN 61010-2-201:2013, incorporating corrigendum September 2013. It is identical to IEC 61010-2-201:2013.

Corrigendum September 2013 changes the supersession wording on the CEN title page and in the CEN foreword.

The UK participation in its preparation was entrusted to Technical Committee GEL/65, Measurement and control.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
