

BSI Standards Publication

Live working — Insulating aerial devices for mounting on a chassis

National foreword

This British Standard is the UK implementation of EN 61057:2017. It is identical to IEC 61057:2017. It supersedes BS IEC TS 61813:2000, which is withdrawn, and BS EN 61057:1994, which will be withdrawn on 24 July 2020.

The UK participation in its preparation was entrusted to Technical Committee PEL/78, Tools for live working.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
